Dear Author(s),

I hope that this mail finds you well.

I am glad to inform you that your book chapter entitled - **"Leveraging AI and Blockchain for Enhanced IoT Cybersecurity"** has been accepted for publication under the book series - **"Blockchain Technologies"**.

Following are some changes that you need to perform in your chapter :

1. Please note that your chapter number is ***14*** and make all updates (like Figure, tables sections/subsections to be labelled as 14).
2. Figures should NOT be copied from the Internet.
3. References should be according to the SPRINGER guidelines and include the latest references.

Please ensure the following before sending the revised Chapter:

1. Please use the attached 'Sample Chapter' for writing the manuscript.
2. Please follow the Reference Style **Basic**, Citation Style **Numbered** and Numbering Style **ContentOnly**.
3. All units should be provided in SI Units, as we have an international readership.
4. Kindly note that "if the figure/table/ text used in the manuscript has been published before in any form, research papers, thesis, journal articles, etc., a fine will be issued.
5. Please ensure that permissions are taken even if it is not your own figure/table/text.
6. If the figure/table/ text is in the public domain or on a free website, please ensure that there is no copyright involved.
7. If the figure/table/ text is open access, please ensure that it allows commercial publication or else permission is obtained.
8. Abstracts are for better discoverability of book chapters on our system and should be written in 150-200 words, written naturally and concisely.
9. All the figures in the chapter MUST be submitted separately in a folder.
10. Kindly ensure to send the Contributor Agreement Form signed by each contributor. The Contributor Contact Information Sheet (attached) should be filled and signed by each contributor.
11. At last, please make sure that the plagiarism must be below 15% otherwise that chapter will be summarily rejected.
