## INTRODUCTION TO FOOD HYDROCOLLOIDS

**BASHARAT YOUSUF**

*Aligarh Muslim University*

**NISAR AHMAD MIR AND  
MAMTA BHARDWAJ**

*Sant Longowal Institute of Engineering and Technology*

**KHALID GUL**

*Gyeongsang National University*

**ALI ABAS WANI**

*Fraunhofer Institute of Process Engineering and Packaging IVV*

### Contents

|         |  |    |
|---------|--|----|
| 1.1     | Introduction   | 2  |
| 1.1.1   | Food Hydrocolloids as Encapsulating Agents                                       | 4  |
| 1.1.2   | Regulatory and Health Aspects of Hydrocolloids                                   | 5  |
| 1.1.2.1 | Regulatory Aspects of Hydrocolloids  | 5  |
| 1.1.2.2 | Health-Related Aspects of Hydrocolloids  | 7  |
| 1.1.3   | Well-Known and Commonly Used Food<br>Hydrocolloids in Encapsulation Technologies | 11 |
| 1.1.4   | Approaches in Use of Hydrocolloids for<br>Encapsulation                          | 16 |
| 1.1.5   | Need to Shift Encapsulation Technology from<br>Micro to Nano Level               | 16 |
| 1.1.5.1 | Food Hydrocolloids and Their Use as<br>Nanoencapsulating Agents                  | 18 |
| 1.1.6   | Future Prospectus  | 21 |
|         | References   | 21 |
