Journal of Islam and Science

Journal of Islam and Science is a double blind peer-reviewed journal and bi-annually (Jan-Jun) & (Jul-Dec) which managed and published by the Institute of Research and Community Services (LP2M) of Universitas Islam Negeri Alauddin Makassar, Indonesia. Since 2020, Journal of Islam and Science officially get national accreditation **SINTA 4** by Ministry of Education and Culture of Republic of Indonesia. This journal is open access and invites all scholars and researchers who are interested in writing any Islam and Science related issues to submit their articles.

Restrictions on manuscripts with education themes

📅 2023-07-11

Due to the massive number of manuscripts published on the education theme in volumes 9 & 10, we will no longer receive manuscripts with that theme in the following issue. We will concentrate on the Islamic integration of pure and applied science.
