About Us

The "**KARPAGAM Journal of Computer Science (KJCS) ISSN : 0976-2926**" is a unique bimonthly in the field of Computer Science and Information Technology. It seeks to deliver advanced information with the aim of fostering Information Technology, building insights and enabling individual as well as collective advancements in research.

The editorial board is a mélange of eminent personalities from prominent institutions and Industry. The journal is a platform to exhibit the skills of research scholars, teaching faculty, industrialists and professionals, and also publish their research work. It enables them to get acquainted with the various resources in the field.

We would like to take this opportunity to invite your valuable contributions towards the journal.
